<b>Description</b>	Small herd In milk mostly two year olds with their whole lives ahead of them! Good type and a generous pick is being offered. They have been milked twice a day through a herringbone shed to supply milk to rear calves for the bull farm. Currently doing over 20 l per cow on all grass with potential to increase. Mostly two year olds, some are possibly recorded. Have had a bull in with them for approximately 10 days. Genuine owners who have been selling the same article for a number of years now with very good feed back.
