Agent	Matt Muggeridge	Client	
Location	Manawatu		
Description	We still have a few quality Angus yearling bulls available for heifer matings. Backed by over 30 years of Waigroup low-birthweight breeding, these bulls have delivered great results for our clients year after year. They leave an excellent calf out of Friesian and Friesian-cross heifers, with progeny regularly topping our Dannevirke Feeder Calf Sales in the spring. If you're looking to reduce bobby calf numbers and add more value to your calves, these bulls are a great option. # Low-birthweight genetics # Proven over dairy heifers # Add value to your calves # Buy or lease options available Talk to Matt for pricing and availability.
