Title	Crossbred Incalf Heifer Replacements	ID	CSI91586
Agent	Simon Harwood	Client	
Location	CSI - Northern/Central South Island		
Description	This is a very tidy well grown group of heifers out of a well established herd that has been around for 25+ years. These heifers are a product of good breeding through the use of LIC before making a shift to Samen Genetics in 2017 . They are in calf to a Jersey bull and are due to calf on the 5th of August. Fully recorded, and have been A2 tested. Offers on the A2 proportion will be considered. \$1500 at the first of may. Delivery date can be negotiated and the price will reflect that.
