Title	Genuine Quality Jersey Herd	ID	TAR91372
Agent	John Preece	Client	
Location	Taranaki		
Description	Jerseys with 60 years Lic breeding and farmed in the Family since 1959. These cows are genuine quality and have the body and capacity to produce in any system. The herd is registered with Jersey NZ with very good figures to add to the already quality offering here. Milked at altitude (360m above sea level) with very high rainfall they are doing the job. Maize is utilised in the winter with the production coming from some PK but grass based. The system 4 feed is pumped in during winter. The herd is capable of much more production due to this.
