## Re: Credit Proceeds by Cheque

Due to recent publicity you may be aware there are significant changes being made by New Zealand Postal Services.

Because of these changes we are experiencing difficulty and delays in getting your cheque payments to you on due date and your payments to NZ Farmers Livestock on due date.

Historically, we have posted two days prior to settlement date and have had no issue with delivery, we are now being notified of cheques being received after due date and at times not at all.

NZ Farmers Livestock are taking the initiative and are campaigning for clients to change to receiving payment by direct credit and to pay NZ Farmers Livestock by direct debit. The advantages to the client are as follows:

- ✓ No delay in payment
- ✓ Payment directly into your bank account on due date
- ✓ Less bank charges
- ✓ Safe and secure payments
- ✓ Payment clearly identified as NZ Farmers Livestock on your bank statement
- ✓ Convenience and reliability of payment
- ✓ Avoidance of 5 days delay in funds availability once banked
- ✓ Avoidance of penalty interest for late receipt of your cheque which may not be your fault

For payment to NZ Farmers Livestock by direct debit please complete and return the enclosed authorisation.

We ask that you give this option your consideration and if you wish to accept our offer of payment by direct credit please complete the details below:
